The Madras Government now state that at the Resident's suggestion, they agreed to the merger of the post of the Inspector of Schools, Bangalore and Coorg, in their Indian Education service cadre from April, 1926, and that if the Resident now withdraws that proposal they would welcome continuance of the post in their cadre provided a Madras Officer is appointed.

It is for orders whether the proposal may now be withdrawn and whether the Madras Government may be asked to suggest the names of suitable officers for the - - Resident's selection.

In this connection please see D.O. letter dated the 15th October 1927, received from Mr. C. Bonsfond, who acted as Inspector of Schools, Coorg and Bangalore, for a year for Mr. Yates in 1920-21.

Reply to Mr. Yates may be sent after the disposal of this question.

The conduct of the Gj. of I. in this case has been rather extraordinary. In the Resident's letter of the 25th May 1928, explicit reasons were given why it was desired to break away from Madras. In their first communication in reply, S.N. 4 of this file, the Gj. of I. raised no objection to the Resident's proposals

S.N.S. confl. file below.

and proposed that one Mr Tinker be transferred from the U. P. to fill the Bangalore post. The Resident accepted the Govt. of I.'s suggestion & now the Govt. of I. turn round, and, (ask him) without assigning any reason, to treat his former letter as cancelled & to continue the old arrangements with Madras.

It looks as though Mr Littlehales, the Educational Adviser to the Govt. of I. who belongs to the Madras I.E.S. had altogether exceeded his function. Why should he endeavour to get the Madras Govt. to go back on what they had agreed to? Perhaps the Resident will discuss the case with me.

Your telegram 2394 Education November 1st. In Crump's letter No. C/6015/1005, dated 25th May 1928, the reason why it was desirable to break away from Madras cadre was fully explained and there has been no change in circumstance since Stop I regret therefore I do not consider that it would be in the ~~education~~ educational interests of the Mysore Assigned Tract and Coorg to withdraw proposal as suggested and would request that Government of India may be pleased to appoint Tinker to succeed Yates as previously contemplated since Tinker will also draw less pay than any other candidate of whom we have heard Stop Matter is really urgent as Yates leaves at the end of the year and in view of very special local conditions and their novelty to officers from Northern India it is in my opinion essential that Tinker should be here some time to understudy Yates.

I am directed to invite a reference to paragraph 2 of Mr. Crump's letter No.5780/106-1923, dated the 16th June, 1923, and to enquire whether an officer has been earmarked to relieve Mr. Yates, who has applied for leave, preparatory to retirement, with effect from the 1st February 1924. If so, I am to request that the name of the officer suggested for the post may kindly be intimated to this office for the approval of the Hon'ble the Resident. In his report on the finances of the Assigned Tract Mr. Boag recommended that the salary of the officer selected for the post should not exceed Rs.1,250/- (exclusive of overseas pay) and it is desirable that if possible this maximum limit should be adhered to.

worked by the Bishop for Co[illegible] on March 31st., & he does [illegible] thinks the Bishop would let [illegible] If that.

It might be a way out to [illegible] him continue at Coltm's as [illegible] doing one hour a day Latin, & [illegible] the general supervision of Drs apparatus. He could devote time to many [illegible] in office & so forth until he is retired. Then, if you could [illegible], Bishop Waller, would let Bangalore [illegible] in services thereafter till he [illegible] man arrives, he could be [illegible] time.

Personally I think he would be better than a Nyasa man; he knows the European school work thoroughly & knows also many of the [illegible] school authorities & managers; he has been with the Boy Scouts Committee

that has come into touch [illegible] Rama Rao, & Abdul Latif? [illegible] he is a shrewd & able man; [illegible] organizer, & one who under- [illegible] Hadow.

[illegible] on a whole best from Nyasa [illegible] have to begin at the beginning, [illegible] them has school experience [illegible] attached to the University. [illegible] available would not have [illegible] University qualifications than [illegible], I think.

[illegible] how long you want to see me again, [illegible] Jan? Kindly have word sent [illegible] I am free any time except [illegible] row from 12 to 2, when I have [illegible] important meeting regarding examin- [illegible] to which all the Heads of [illegible] are coming.

Yours ever
J Hastes
